

Lyndhurst, Seeley's Bay & District

CHAMBER OF COMMERCE

Dear Business Owner:

The Lyndhurst, Seeley's Bay & District Chamber of Commerce has plans to make 2022 their best year yet by becoming Incorporated to access even more for our members.

For the past 28 years, our rural Chamber of Commerce has been committed to supporting our local businesses and the beautiful area we live in. We welcome you to join us for monthly networking meetings (live and by zoom for your convenience), where we can help bring your ideas for our organization to life.

Your yearly membership fee (one of the lowest in the area) entitles you to much more than a listing on our website and our print directory. You can have a complimentary spot in our Spring Meet and Greet in Seeley's Bay on April 21st and promote your business to other members and special guests.

Our dedicated social media expert will help spread the word about your products and services by sharing your posts with our followers. The Chamber of Commerce is dedicated to promoting its members through a shop local campaign, providing regular online and print advertising, including in The Mural, a local newspaper reaching 12,000 area homes.

This year will be our second year hosting The Rural Business & Agricultural Expo at Furnace Falls Farm on June 5th. Once again, as a member, you will have the opportunity to have a table at no extra cost to showcase and sell your wares. The Township of Leeds and the Thousand Islands will be helping promote this event as they continue to support our organization's efforts.

The Lyndhurst, Seeley's Bay & District Chamber of Commerce gives you a spot at the table to help promote your business, and the area while taking advantage of the additional benefits available through the Ontario Chamber of Commerce and the Canadian Chamber of Commerce.

Together we can make a difference!

John P. Sideris, CD - President

A membership form has been included along with a prepaid envelope for your convenience.
